

CARING CLOSET

**Take what you need.
Leave what you can.**

 **St Thomas Church, Alton**

Located near the parking lot of St Thomas Episcopal Church in Alton, 322 Church St, Wood River Junction, RI 02894, our Caring Closet is a mini-pantry of non-perishable food items, some personal care items and cleaning products. It is accessible to all during daylight hours.

While you won't be able to replace a full shopping trip with the items inside, hopefully, you'll be able to fill some gaps and save a little money for where it's needed.

If you wish to help keep the closet well-stocked, you are welcome to stop by and add a few items any time!
